

**TRIAL OF MR. CADOT.**

ANOTHER CASE WILL PROBABLY BE TAKEN UP TO-MORROW.

The Baltimoreans Inspect the City Hall and Are Greatly Pleased—News of the Courts.

Although the cases against McNamee and Gaul, charged with the murder of Robert Log Atwell, have been set for trial in the Huntingdon Court to-morrow, it is more than likely that they will be again continued and another of the indictments against Seymour S. Cadot taken up. It will be remembered that the first case against Mr. Cadot was dismissed on account of the sickness of Justice Giomi. The next indictment tried will probably be a new jury. The charges against the accused are of embezzling funds of the Live-Oak Distilleries Company and of forging the name of George T. Scott, secretary and vice-president of that concern.

**THE BALTIMORE VISITORS.**  
The prominent Baltimoreans who came on here on Friday to look into the merits of Virginia granite returned home last evening, after having spent their second day in visiting Richmond's City Hall and points of interest in the city. At 11 o'clock yesterday morning they assembled at the Mayor's reception room, where they were joined by Mayor Elliston, City-Councilman Cuthbert, and Assistant-City-Engelmann, Mates, and were shown over the handsome new building by those gentlemen. After going in to dinner, the visitors took a walk in the surrounding landmarks, and visitors were taken into the engineer's office, where they looked over the plans of the big structure. From there they went on to the walls and inspected the monuments in the walls. The party then visited the Monumental City where they were shown some fine specimens of paving-stone. They then went to dinner, and left on the evening train for home.

**NOTICES ABOUT THE HALL.**  
The term of the Law Court begins to-morrow morning at 11 o'clock. The first day will be given to opening days for the trial of cases on the docket.

Justice Motes wishes the bar to take no action in this case on that day, for the time or trial when either side is present and ask for it. If neither side is present the case will go to the foot of the dock.

M. Massell yesterday instituted suit in the court against Austin R. Goddard for \$200.

The Chamber Court has granted an absolute divorce to Mrs. Mary C. Bailey from her husband, A. D. Bailey, the charges being those of desertion for five years without cause for action.

At 2 o'clock yesterday morning there was an alarm of fire from Box 44, located at the corner of Main and Franklin streets, occasioned by the burning of the front of houses Nos. 109 and 111 Floyd Street. The damage was trifling and the engine of the fire is supposed to be incendiary.

## THIS IS WHIT-SUNDAY.

How It Will Be Observed—Notes About Our Cathedrals.

Today is the first of Pentecost, or Whit-Sunday, and will be observed in the cathedral Church with a great deal of solemnity. At the 7 o'clock mass at the cathedral the Confraternity of the Holy Cross will go to Holy Communion in a body, and in the afternoon after vespers the confraternity will hold their annual meeting, at which there will be a reception of new members.

Tomorrow mass will be celebrated at half-past 10 o'clock, with Bishop Van Dyke Vyver as celebrant. After mass the papal benediction will be given, and all those who have received the sacraments worthily will be granted a plenary indulgence.

The children of Mary of the cathedral will go to Holy Communion in a body, and in the afternoon at 3 o'clock the regular monthly meeting of the society will be held in St. John's chapel.

The parish is insufficient to warrant the holding of the case to the grand jury and it was dismissed.

Samuel alias Henry Moran (colored) was up on a number of small charges. He was arrested 125 and condemned. Some of his fines were taxed \$10 each for disorderly conduct and fighting.

Henry Williams alias Thompson and James Braxton reformed were charged with cursing, abusing, and throwing stones at Aaron Lowe. They were fined \$50.

**No Accident Occurred.**

The Richmond, Fredericksburg and Potowmack Railroad Company deserve all credit for the admirable manner in which they handled the immense crowd that attended the dedication ceremonies of the Mary Washington Monument at Fredericksburg Thursday. Every possible care was taken for the comfort and safety of the public, and not an accident occurred. The limited track-capacity at Fredericksburg necessitated side-tracking several of the many extra trains above and below the city after they had been unloaded, but notwithstanding this everything moved like clock-work, and the railroad, which had obtained the railroadmen during the day was thorough.

**Hether Memorial Day.**

Next Wednesday, the 16th, will be observed by the Ladies' Hebrew Association for the decoration of the graves of Confederate soldiers at the Jewish cemetery.

At 6 o'clock Rev. E. N. Calisch will offer a prayer, and an address will be delivered by Rev. Dr. M. D. Hoge. The Walker Light Guard will be in attendance. The Hollywood, Oakdale, and other local organizations are invited to join in the observance. Mr. William H. Tratham, who died yesterday morning at Grace street, was a well-known and highly-esteemed citizen. For a number of years he had held an important position with the Richmond, Fredericksburg and Potowmack railroad, and was deserved for his kindly disposition. **RICHMOND HOME FOR INCURABLES.**

Meeting of the Managers—Officers Chosen.

**Objects of the Institution.**

The officers and Board of Managers of the Richmond Home for Incurables held a meeting at the Young Men's Christian Association Hall last week. Very encouraging reports of the work in progress were received. This organization is making strenuous endeavor to find a haven for the very suffering who may be unable to bear the extremity of poverty and disease. Its sole aim will be to shelter and relieve incurables of any creed, age, or nationality, deprived of home and friends, and who are ineligible for hospital or almshouse. There is no other such institution in the State, and the efforts appear to be a charitable purpose more deserving of pity than any other.

Miss Mary Greenhow, the zealous president of this organization, has been too ill to attend the meeting, and the earnest request and the hearty endorsement of the generous people of our city she hopes are the close of the heated term to reach the goal of her endeavor, and

together with her faithful aids, float the banner success.

Following officers and board have been elected: Miss Mary Greenhow, president; Mrs. Payne, Carrington, first vice-president; Mrs. J. H. Fane, second vice-president; Mrs. B. G. He was summoned to Christiansburg as a witness in court, and the last seen of him was about 3 p.m. It is not known how he got to the place where he was killed, which is about seven miles west of Christiansburg.

**ADDITIONAL DETAILS.**

The man killed by the Norfolk and Western train this morning proves to be Benjamin D. Bachelor, a clerk for J. W. Barnett, at Elliston, Va., and it is believed that he was picked up by mistake as a witness to the Royal-Arch Mason of Somerville Chapter, Somerville, Mass. He was a civil-engineer by profession, and formerly was employed on the Norfolk and Western railroad, where he was a foreman of a section and universally liked, and was a scion.
